Circle area: visits | Hover: state and count

03 Listed cultural places

Heritage locations provide cultural context

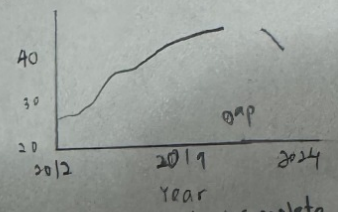

Filter: [all classes v] Hover: place name

2 RECOVERY AND REGIONAL REACH

Compare travel over time, then examine regional visits in Victoria

04 The long view

Line chart | Australia 2012–2024

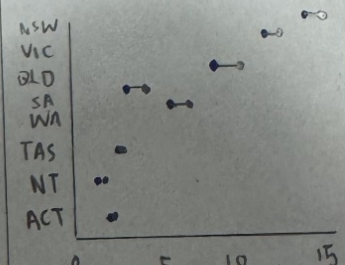

2020–2022 omitted: incomplete coverage

Hover: year and cultural visits

05 2019 versus 2024

Dumbell chart | Australian states

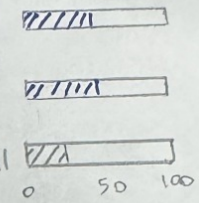

All states remain below 2019 visits

Hover: state, both years, and change

06 Beyond the capital

100% stacked bars | Victoria

Regional reach differs by visitor type

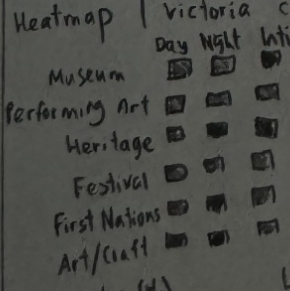

Hover: visitor type and regional share

3 EXPERIENCES AND VISITORS

Victoria case study: compare activities, visitor types and origin markets

07 Different visitor tastes

Heatmap | Victoria cultural visitors

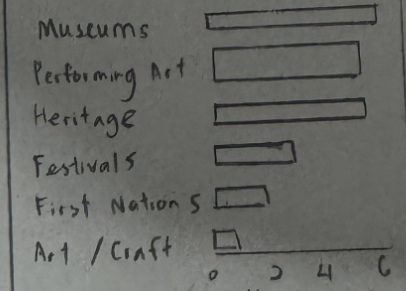

Museum appeal strongly to overseas visitors

Hover activity, visitor type and percentage

08 Which experiences?

Horizontal bars | Victoria

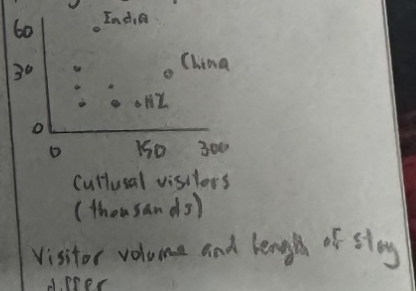

Activities overlap do not add the bars

Visitor type: [All v]

Hover: activity and count

09 Markets and length of stay

Scatterplot | Victoria, top 10 markets

Visitor volume and length of stay differ

Each dot = country | Hover: country details

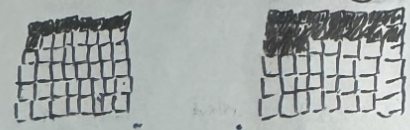

4 THE SPENDING PICTURE

Victoria case study : compare cultural visitors with the spending they generate

10 Trips versus spending

Paired waffles | Victoria

Visits : 13 % Spending : 33 %

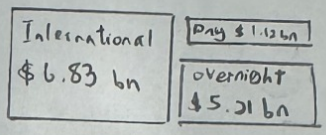

■ cultural □ other visitors

Each square = 1% shares are rounded

Cultural visitors account for 33% of spending

11 Who contributes spend?

Treemap | Victoria, nominal AUD

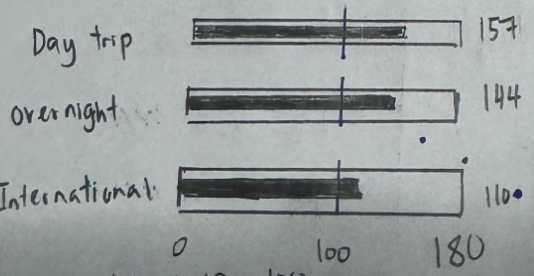

Area = whole-trip spending

International visitors contribute the most

Hover : visitor type, spend and share

12 Spending since 2019

Bullet chart | Victoria, nominal AUD

spending index : 2019 = 100

Spending exceeds 2019 in all 3 groups

Hover: Spending and change | Not inflation adjusted

Notes : Visits are survey estimates. International cultural activities may occur elsewhere on the Australian trip. Spending covers the whole trip. Heritage map positions are approximate and illustrative in this sketch
